

# Safe Boating Through Education

[www.BoatSafeUS.com](http://www.BoatSafeUS.com)

**Boat Safe US, LLC** is a NASBLA and NJ State Police Approved boating safety certificate class that offers an in-depth and interesting boating safety course.

*Through Lecture, video, and student interaction, we provide the knowledge needed to obtain your NJ boating Safety certificate. Our Boat Safe US team will provide a family friendly, fun filled, information packed, 8 hours class (including exam)*

All students receive a class content manual that is theirs to keep for further review. During the class, students will be asked to write and highlight items in the manual to help focus on the main points being covered. Short breaks are taken throughout the day. If a 30-minute lunch break is taken, total time for the class and exam (including lunch) is 8-1/2 hours. At the conclusion of the class each student will take a 60 question, Multiple choice, exam. Passing grade is 80% or better.

All students ages 13 and up who successfully complete the class and exam will be issued (same day) a temporary NJ boating safety certificate that will be valid for 1 year.

*Because all Boat Safe US, LLC classes are NASBLA approved, your boating safety certificate (combined with a NASBLA certificate issued by Boat Safe US, is valid in all US states and territories.*

\*\* Some insurance companies may also offer discounts on boating insurance to boaters who successfully complete this course.
